Re: Z-82, IGBO Union, 5912 Mableton Parkway

Dear Mr. Chairman and Commissioners:

On behalf of the Mableton Improvement Coalition Board, I am writing to express our position on this application. We appreciate the willingness of the IGBO Union members to meet with the community and their interest in upgrading their building to improve its appearance and decrease noise. As you may know, there have been serious, ongoing complaints about noise from neighbors some distance away. We trust that the dialog during this zoning process is a new beginning for this difficult relationship.

Thus, we recommend that you approve this application, subject to the stipulations letter and other conditions established by the Planning Commission in their recommendation of approval. We look forward to the refurbishing of this property and wish the IGBO Union Atlanta many years of successful events in this location.

As always, thank you for the opportunity to be a part of this public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

Robin Meyer
Zoning Committee Chair
