

Restaurant Spotlight – Sabores Boutique Cafe

One of the most talked-about subjects in our Facebook group is restaurants. So MIC's Economic Development Committee decided to visit Mableton restaurants periodically, and provide some basic information about them -- or in other words, "shine a spotlight" on the restaurants in our community. MIC does not endorse the restaurants; the Spotlight exists simply to introduce Mabletonians to restaurants in Mableton.

When we went: 1/15/17 (Monday-MLK day around 11am)

Notes: This restaurant specialized in Puerto Rican cuisine, but with a serious international flavor! Some of the daily specials have included Jamaican, Italian, and Chinese dishes. The day we went the menu items were Puerto Rican. Call ahead or check their [facebook](#) site for the daily special. They also have a catering arm called O.M. Collective Cuisine Catering. Say hello to Chef Oscar and Teresa when you stop by!
