Re: OB-39 KO Development

Dear Ms. Chairwoman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition to ask that you approve this application for an extension of time to demolish the house at 676 Wood Valley Way, so long as the house is demolished by February 28, 2022. This is a slightly longer period than the applicant has requested, but we think it is clearer to establish a specific date by which the structure will be removed.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,
