Re: SLUP-8 Home Star Storage, LLC

Dear Mr. Chairman and Commissioners:

The Board of the Mableton Improvement Coalition (MIC) recommends approval of this application for a Special Land Use Permit for the property at 381 Veterans Memorial Highway. Mr. Moore heard our concerns prior to the Planning Commission hearing and addressed them in his stipulations letter, as amended by the Planning Commission. We urge you to approve this application and support its inclusion on the Consent Agenda for your August 21 hearing.

If this project moves forward, these warehouses will be converted to a productive use for which there seems to be demand in our community. The conditions placed on the approval and contained in the stipulations letter will lead to a better appearance for this property and provide for much-needed landscaping, stormwater management and renovation.

As always, thank you for the opportunity to be a part of this public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

Robin Meyer
Chairman of the Board
