

Restaurant Spotlight – El Solecito Mexican Grill

One of the most talked-about subjects in our Facebook group is restaurants. So MIC's Economic Development Committee decided to visit Mableton restaurants periodically, and provide some basic information about them -- or in other words, "shine a spotlight" on the restaurants in our community. MIC does not endorse the restaurants; the Spotlight exists simply to introduce Mabletonians to restaurants in Mableton.

Parking: not large, needs parking spot lines re-painted

Experience: delightful! Chef Miguel and serving staff very friendly. Everything made "from scratch". Free tortilla chips/salsa, meal deliciously seasoned, at perfect temperature, with warm corn tortillas. Friday night Karaoke! Only oddity: upon ordering coffee, what came was a glass jar of freeze-dried, along with hot water instead of brewed coffee; it was inconsistent with the rest of our experience. We would definitely go back!
