Re: V-43, SAE School

Dear Mr. Chairman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition Board to ask that you recommend approval of this variance for a larger sign, with the condition that the parapet shielding the HVAC equipment from view be installed at the same time as the sign. We have spoken with the applicant and understand that they intend to undertake both the sign and the parapet at the same time.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

Robin Meyer
Zoning Committee Chair
