Re: Z-53, Revive Land Group

Dear Mr. Chairman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition Board to ask that you recommend approval of this application, based on the site plan dated November 9, 2020, along with the condition that there is an Architectural Review Committee of which MIC is a member.

We appreciate the applicant working with the community and making improvements to its plan, and we look forward to the continued success and fruition of The Revive Land Group's project at Mableton Parkway/Bonanza Trail. As you will recall, we had previously recommended denial of this application, but with the changes to the plan, we are now recommending approval with conditions.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

Robin Meyer  
Zoning Committee Chair
