

MIC Sponsorship Program Benefits

Discounts/Specials for MIC Members

MIC sponsorship gives businesses and organizations ways to promote your business to our membership and the community through our e-newsletter, website, social media channel, and mentions at our public community meetings.

Sponsors may also offer specials and discounts to MIC membership, subject to a few parameters:

- ✓ All requests must be submitted for MIC board approval.
- ✓ Specials and discounts should be in electronic format to facilitate easy distribution in 'Welcome' or 'Thank You' letter to new & renewing members.
- ✓ Specials and discounts may be offered on continuous basis, until terminated by either sponsor or MIC board.
- ✓ Sponsors must be current on sponsorship dues to be eligible.
