LUP-3 Our Giving Garden

Dear Mr. Chairman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition to ask that you recommend approval of this application for a Land Use Permit for Our Giving Garden here in Mableton. This organization is an important part of our community with its work educating children and adults about food production and animal husbandry, donating fresh food to a local food bank, and creating community around these and other volunteer efforts.

The community support for Our Giving Garden is strong and deep. We urge you to approve this Land Use Permit for the full two years requested.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

A handwritten signature in black ink, appearing to read "Robin Meyer".
