Re: LUP-18 Haley Lopez

Dear Mr. Chairman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition to ask that you recommend approval of this application. The applicant reduced the number of cars on the property to match the number of driving family members and the property is otherwise in good condition. We request this approval with the condition that all four cars are parked in the driveway and the pavers in the front yard are removed and replaced with grass. If this arrangement becomes cumbersome, the applicant could widen the existing driveway with matching materials.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

A handwritten signature in black ink, appearing to read "Robin Meyer".
