Re: LUP-23 Alfredo Diaz

Dear Mr. Chairman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition Board to recommend denial of this application for a Temporary Land Use Permit to allow five cars to be parked at this home.

The home was built with a two-car garage and room in the driveway to park four cars. There is no off-street space to park the additional car requested in the LUP application. Adding any hardened surface to the small front yard would be detrimental to the appearance of the neighborhood.

As always, we appreciate the opportunity to participate in your public comment process.

Sincerely,
