Re: SLUP-4 2024 Vacutek

Dear Mr. Chairman and Commissioners:

I am writing on behalf of the Mableton Improvement Coalition Board to recommend approval of this zoning application at 6694 Oak Ridge Commerce Way. Vacutek is an established business on a street of other industrial uses. The property is in good condition, no residential properties adjoin this site and we have not received any objections from the community. From what we have been told, this application will not result in any change to business operations as the applicant is simply changing the address on their used vehicle sales license.

We request that approval of this application include a stipulation of no street parking.

As always, thank you for the opportunity to be a part of the public comment process. If you have any questions, please feel free to contact me at 770 948-5394.

Sincerely,

A handwritten signature in black ink, appearing to read "Robin Meyer".
